Day 2 of Mourning:

April 28th is the [National Day of Mourning for workers killed and injured on the job](#). A day when we recognize and remember all those who have lost their lives just trying to provide for themselves and their families.

Young and new workers run a greater risk of being hurt on the job than any other group. Every week an average of 7 young workers are permanently injured on the job in BC. Know your workplace right and safety procedures. Remember: EVERYONE has the legal right to refuse unsafe work.

This **Friday April 28th**, remember those who have been injured or have died at work. *Please, mourn them, but don't be one of the mourned – stay safe at work.*
