Are you interested in learning more about some opportunities to help you prepare for a future career while still in high school? What would you think of getting a jump start on some lucrative work while honing useful skills? Would you be interested in getting part of your college tuition paid for? What about getting school credits for paid work you are already doing?

If any of these questions appeal to you, please let your counsellor, Ms. Digeso, or Mrs. Fackler know that you would like to join us at lunchtime on May 1st in room 103 to meet with Mr. Thackwray from the District Career Programs Office. He will gladly answer any of your questions and help you to explore some great career possibilities while you are still in high school. All are welcome!

Attention all students interested in attending the **Alice Lake camping trip**, please return the green field trip form to Mr. Aun in the gym this week. Thank you.
