Announcement

Good morning Sharks. Today marks the start of Mental Health week here at SLSS. Our counselling team works to support you in your success in and out of school and in life so you can build the future you want. Please stop by our offices at any time. Don't forget about Mrs. Ratcliffe's awesome stress management workshop in room 103 during PLT 2 tomorrow. Can't wait to see you there!

The pop culture super charity bonanza is happening this week, opening afterschool every day in room 202. They'll be selling DIY keychains with over 100+ combinations, squishy toys, and unique official kpop cards, bare albums, and inclusions.

If you are interested in performing for Grade 7 Fun Day, please let Ms. Kosar know. Drop into the theatre to sign up!
