### Important Student Safety Reminders for Students

- a) **Daily Health Declaration Process** – students (and parents/guardians) are reminded that it is important to make sure you undergo the Daily Health Declaration process each morning before coming to school. If you are not feeling well, please stay home and focus on feeling better, and have your parent/guardian contact the school to let us know you will be away. If we can assist in any other way, please feel free to contact us.
- b) **Students entering and exiting the school** – please enter the school through the main entrance that is closest to the classroom you are going to when you arrive at school. Help us to minimize traffic in the hallways so that we can better maintain physical distancing.
- c) **Physical distancing** – please make sure that you are always maintaining at least two metres distance between yourself and others. It is important to remember that this applies to inside and outside of the school at all times.
- d) **Grade 8 & 9 student cohort wristbands** – grade 8 & 9 students are reminded to wear their cohort wristbands when they come to school each day. If you forgot your wristband, please come to the office and pick up a paper one to use for the day. Students are reminded to remain within their cohort group during the school day.

### Grad Commencement Write Up

Grads and their families are asked to go to the webform at <https://slss.sd38.bc.ca/students/grad-news/commencement-celebration-write> to submit a maximum 40 word write up that will be read when each grad crosses the stage at our Virtual Commencement. The deadline to submit write ups is May 10th at 3pm. If you have any questions, please contact Mr. Banta in the main office.

### Q4 Meet the Teacher Evening

Meet the Teacher evening for Q4 will be virtual. It is scheduled to take place on Thursday, May 6th. Parents/guardians should have received an email with a letter that outlines the process of this event. Teachers will send the families of their Q4 students their Zoom or video links, or emails for this event by 3pm on May 5th. If you do not receive that information, and if you would like to attend, please contact your child's teacher.

### AP Exams

In school AP exams begin on May 4th with AP Calculus. The AP exam schedule has been posted at the main entrances of the school and on the school website. Students who are scheduled to write an AP exam must make sure they complete the Daily Health Check process before coming to the school. As well, all safety protocols must be followed, at all times. Please arrive at your exam location 15 minutes before the start of your exam with all necessary supplies. If you have any questions, please see Mr. Banta in the main office.
