PRINCIPAL'S REPORT

Ms. Sakata asked for present parents to give verbal feedback on how they felt the week between Semester 1 & 2 went. Talks ensued with feedback ranging from positive feedback on students practicing sitting exams through actual semester end exams. It was also reported that many students showed up at school only to find classroom doors locked and lights out or the teacher dismissed them shortly after arriving at class. A survey has been emailed to all parents asking for them to fill out survey and give feedback so that process may be streamlined for following years. Online Parent Portal is going well. Positive feedback.

Winter Formal was well attended and all Grade 12s were in respectful form and had a great time. New locking system has been installed on all exterior doors. The schedule has been posted on website, including details of lockdown button. See website.

Grade 7 Basketball Tourney moved to March 6/7/8.

Spectrum Assessments on March 7th.

Grade 9 Girls in Provincial Basketball Tourney.

Mass immunization took place in gym for Grade 9s. Approx $\frac{3}{4}$ attended.

School transfers on hold. Cohorts also on hold.

TREASURER REPORT (Tammy Ross- Treasurer)

See attached budget sheet

Chafing dishes have been purchased for use in many student leadership events, whereas we normally rent them. Big cost savings going forward for the school.

RDPA REPORT (Faye Bork – RDPA Rep)

A video contest will take place for all Grade 12s with the subject being "What does DAG mean to me." Updates on this will project will be coming soon. This project is to reinforce meaning behind DAG and how it's true meaning might be becoming less known and impactful.

School boundaries will be under review and redefined.

Traffic safety in schools is under review and any queries or problems should be reported to the district. Patrols are being done throughout the district for safety.

DRY AFTER GRAD (DAG) – DAG meetings take place at 7:30pm on the second Wednesday of each month (following the monthly PAC meetings).
