Sharks Minds Matter is holding a Mental Health Station **today** at the Williams lounge during lunch. They will be sharing and discussing about mental health for the new semester, passing out a few pocket-sized comforting gifts such as squishy toys and stickers; hopefully boosting their mood, relieving their anxieties, and allowing students to learn how to cope with stress in a healthy way. Come stop by and visit the booth!

Anyone interested in joining the **Steveston-London Golf Team**, meeting in **room 703** during lunch on **Friday, March 3rd**.
