TENNIS: Congratulations to the SLSS Tennis Team on finishing in 6th place in this year tennis provincials. You made our school very proud.

If you are interested in performing in the Steveston Historical Vignettes this summer, we are having another set of auditions TODAY at lunch in the theatre. There is a signup sheet on the theatre bulletin board.

For those of you who have been invited to attend the group interview for the Spectrum program, please be reminded that the interview will take place on tomorrow May 30th at lunch in the JEDI Centre (room 502).
