

INTERESTED IN TECH & DESIGN?

Senior Program: "Startup" School

\$428 / grades 10-12 (\$328 after \$100 district subsidy, limited quantities)

Embark on a 24-week adventure to explore how tech products are built. Learn the fundamentals of coding and design from professional developers and designers. You will learn the Java programming language and will design and prototype several mobile apps.

On this journey of fun and discovery, you will compete with teams from other high schools and learn important life skills such as collaboration, time management, earning trust and succeeding in the midst of ambiguity.

Attend our info sessions and register now! No prior experience necessary.

Sessions are online every Tuesday from 6:30 pm to 8:30 pm.
