Announcement

SLSS SciHealth Alliance is hosting our next seminar/workshop featuring Katie Baillie and Justin White, both completing their graduate programs at UBC related to cancer genetics research and DNA repair pathways. This will be held on Thursday, December 14th during PLT 2 in room 702! Come by and don't miss out on this amazing opportunity!

The SLSS Activism & Awareness Club has special guests today at lunch! If you want to learn more about the Youth Glitter Program, which is an inclusive and free drop-in program for 2SLGBTQI+ teens, go to Ms. Acosta's room 702.

There are valuable lost items in the Lost and Found bin waiting to be claimed. Come to the William's lounge to check out the items and see if any of those belongs to you! The Lost and Found table will be set up outside of the Shark Tank every day until next Thursday. Any unclaimed items will be donated to local charity at the end of next week.

A reminder that the Artona photo orders and the Go cards from the second photo retake are available for pick up in the main office.
