## Parking Lot and Traffic

We are seeing increased traffic in our Williams driveway especially with the road work happening on Gilbert. We are observing that many students are arriving late to school as a result. Students, we encourage you to walk or bike to school as much as possible and prioritize being on time for your class in the morning. If you must drive your child to school, please plan to arrive early. Our doors are open for students at 7:30 am and the parking lot is much less busy before 8:15 am.

Our neighbours are also expressing frustration that their driveways down Williams are being blocked due to the line up to our school parking lot. Please do not block driveways, school bus, and emergency and transit vehicles while you are dropping off or picking up. Students, please pay extra attention in the parking lots and be aware of cars and only cross in the marked cross walks.
