Announcement

Attention all students, TODAY is the last day for submitting the Program Planning Sheets for next year. Please make sure you input your next year's course selection into the MyEd portal and hand in your program planning sheet to the counsellors BEFORE 3:30pm today. The drop off boxes are outside of the counselling office.

If you are interested in working on the Drama Club's spring play, come to a brief info session on Monday at lunch in the theatre!

A reminder to all Band students from Semester 1 who are not playing in lunch Band to return their vests to Mr. Mikulin by week's end, or you will be billed for losing the vest.
