Announcement

Hi Sharks! Let's talk about the importance of resilience today. Every challenge is an opportunity to learn and grow stronger. Remember, you are not alone in your journey. To quote Winston Churchill 'Success is not final, failure is not fatal: It is the courage to continue that counts.'

Join us at our Beyond the Blues Fair in the Williams Lounge this Wednesday. There will be booths with helpful information, prizes and a raffle. Check it out on Wednesday May 8th during PLT 2 and Lunchtime!

If you are interested in helping with painting, or working backstage for the drama production at the end of May, please come to a short meeting in the theatre TODAY at lunch.
