Maple Lane Elementary School is celebrating its 50th anniversary on September 19, 2024. We are inviting our current community as well as student and staff alumni, and anyone else who feels a connection to the school, to join us for an open house. There will be barbecue options available for pre-order from M&M Food Market (through the Maple Lane website in September) and a food truck from Cultivate on site. Students and staff are creating a variety of displays that represent Maple Lane in the past and the present, as well as what they predict will be its future. We hope this event will provide an opportunity to reminisce, share memories and celebrate the deep community connections that have been created at Maple Lane School.
