- SLSS SciHealth Alliance is hosting our first seminar/workshop featuring Dr. Joseph Lam, a paediatric dermatologist who works as a Clinical Associate Professor of Pediatrics at the BC Children's Hospital and an Associate Member of the Department of Dermatology and Skin Sciences at the University of British Columbia. He will be presenting about his career on Tuesday, February 18th during lunch in room 702! Come by and don't miss out on this amazing opportunity!

- Get Ready for BuRrrDay! (Bundle Up, Richmond!) Hi SLSS Staff and Students! It's time to turn down the heat and turn up the fun! BuRrrDay is back with a friendly school-wide challenge to boost energy awareness while staying cozy. This district-wide event, led by the Eco-Team, aims to reduce energy consumption while keeping spirits high.

On January 31st, February 7th, and February 13th, the heat will be lowered by two degrees (don't worry, it won't be turned off!). Stay warm by rocking your coziest sweaters, scarves, and winter gear. The Eco-Team will visit classrooms during Block A on these dates to check for warm attire. The class with the coziest clothing will win a hot chocolate party!

Let's bundle up, have fun, and make a difference—because saving energy never goes out of style! 💙💡

- Attention all students! On January 23rd, you will be emailed a link to a Semester 2 course change digital form. Please fill out this form in order to request a course change with your counsellor. The Counselling Dept is not making any Semester 2 course changes until you have filled out the online form. Please look out for this form in your emails on Thursday, January 23rd.

Thank you!
