- SLSS SciHealth Alliance is hosting our first seminar/workshop featuring Dr. Joseph Lam, a paediatric dermatologist who works as a Clinical Associate Professor of Pediatrics at the BC Children's Hospital and an Associate Member of the Department of Dermatology and Skin Sciences at the University of British Columbia. He will be presenting about his career on Tuesday, February 18th during lunch in room 702! Come by and don't miss out on this amazing opportunity!

- Get Ready for BuRrrDay! (Bundle Up, Richmond!)

Hi SLSS Staff and Students! It's time to turn down the heat and turn up the fun! BuRrrDay is back with a friendly school-wide challenge to boost energy awareness while staying cozy. This district-wide event, led by the Eco-Team, aims to reduce energy consumption while keeping spirits high. On January 31st, Friday, the heat will be lowered by two degrees (don't worry, it won't be turned off!). Stay warm by rocking your coziest sweaters, scarves, and winter gear. The Eco-Team will visit classrooms during Block A on these dates to check for warm attire. The class with the coziest clothing will win a hot chocolate party! Let's bundle up, have fun, and make a difference—because saving energy never goes out of style!

- All Grade 10 & 11 students you are invited to come meet with the folks from SD38 Career Programs. This is a great opportunity for you to learn more about the programs they offer like Early Childhood Education and the Health Sciences Program, Strive, dual credit, RCMP Academy and much more. This can be helpful for next year's course planning. And if you attend the meeting you will be treated to a free pizza lunch!! 🍕🍕 See you in Room 103 today at lunch hour!
