

daily announcement

Thursday, February 6, 2025

- SLSS SciHealth Alliance is hosting our first seminar/workshop featuring Dr. Joseph Lam, a paediatric dermatologist who works as a Clinical Associate Professor of Pediatrics at the BC Children's Hospital and an Associate Member of the Department of Dermatology and Skin Sciences at the University of British Columbia. He will be presenting about his career on Tuesday, February 18th during lunch in room 702! Come by and don't miss out on this amazing opportunity!
- Drama Club: We are about to start work on the spring play! It is Jenny Xin's "Gaps of Sunlight" – a play about a group of friends coming of age in the 1980's. If you are interested in acting in the play, we will be holding auditions today and tomorrow at lunch. Sign up for the day that suits you and take an audition sheet to memorize and present. If you are interested in working backstage, let Ms. Kosar know.
- Hi SLSS Staff and Students! It's the moment you've been waiting for. BuRrr Day is finally here with a friendly school-wide challenge to boost energy awareness while staying cozy. This district-wide event, led by the Eco-Team, aims to reduce energy consumption while keeping spirits high.

Mark Your Calendars!

- On February 7th, and February 13th, will be the dates when the heat will be lowered by two degrees! Stay warm by rocking your coziest sweaters, scarves, and winter gear.

How to Win:

- The Eco-Team will visit classrooms during Block A on February 7th to check for warm attire. The class with the coziest clothing will win a hot chocolate party! While they will not be checking on the 31st and the 13th, students are encouraged to dress warm. Let's bundle up, have fun, and make a difference—because saving energy never goes out of style!
- Grade 11 students interested in taking AP English next year — Application forms are out and available for pickup outside Ms. McBurney's room (404). Interested applicants should fill out a form and give it to their English 11 teacher to complete. All AP English applications are due no later than March 3, 2025.
