All students should be familiar with MS Teams (download to a device or use the computers in the library) as much of the Connections Days (Careers 8/9/10 and CLC 11 & CLC 12) material and assignments are located on MS Teams. See Mr. Nashlund, Ms. Yuen, or Ms. Sidhu-Grewal for any questions.

Personal Learning Time – Student Survey

The Richmond School District is seeking input from students about Personal Learning Time (PLT). The feedback collected will help the district understand the value of PLT and guide future decisions regarding its structure and implementation.

PLT is considered part of instructional time which is why it must be held during regular school hours. Thank you for completing the survey!

Student Learning Survey 2025/26

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective. For parents/guardians/caregivers, the survey can be completed electronically and can be accessed on the Internet [here](#). The e-survey site will be open until May 1st, 2026. Info also available on our website [HERE](#).

Food Deliveries

Food deliveries to the school are not permitted during the school day, including class time. This includes deliveries from restaurants and food delivery services such as UberEats, Door Dash, Skip the Dishes. For school safety reasons, we cannot have unknown visitors coming into the building looking for students to deliver food. For health reasons, food cannot be left outside school doors unattended. Lunches left at the front of the school by the Williams entrance are also problematic as they may be mistakenly or purposefully taken by the wrong student. The office staff cannot monitor lunches for individual students until they are picked up. **It is best for students to bring their lunches with them in the morning.** We also have cafeteria services if students need to purchase a lunch. Thank you for your co-operation in helping us maintain a safe and focused learning environment.
